

**REMARKS**

The claims are 31-37 and 40-43, with claims 31 and 32 being independent.

The Title been amended to read in accordance with the title given to this case during the international phase (See International Search Report, page 1, Item 5).

Claims 33, 40 and 42 have been amended to add the phrase "or pharmaceutically acceptable salt thereof" as supported in independent claim 31. Support for the amendment of claims 33, 34, 40 and 41 (change of the term "patient" to --human--) may be found in the specification at page 12, lines 1-5.

Applicants respectfully submit that these amendments do not add new matter and will not require more than a cursory review of the record.

Entry and consideration of this Amendment after Allowance is respectfully requested.

Respectfully submitted,
